# WHY MAKE **ERG** YOUR CHOICE?

## FINISH OPTIONS

ERG offers a wide variety of finish and color choices. Currently, you can choose from many standard wood stain and metal powder coat colors. Polished chrome is available on several models and we are happy to accommodate custom color choices.

## PACKAGING GUARANTEE

We are so confident in our packaging that we guarantee safe delivery 100% of the time. If you have any freight damage, ERG will replace the furniture free of charge - you do not need to handle any freight claims. This is ERG's hassle-free guarantee!

## ENVIRONMENTAL AWARENESS

We protect and care about our environment! Our facilities only use 100% water-based products for our production materials like stains, lacquers and adhesives. All of our solvents are odorless and non-toxic to the environment.

### ERG International - Proudly Made in the USA!

① CNC - machining wood frame components for frame assembly

② wood frames assembled one at a time to exact specifications (shown with no sag springs installed)

③ hardwood frames fully assembled ready for the next operation

④ ready for upholstery after high resiliency foam is meticulously applied to the frames with water based adhesive

Manufacturing process starts from 1 thru 4.

ERG International is proud to be celebrating over 30 years of providing high-quality furniture to markets, including Higher Education, Health Care, Hospitality, Public Spaces, Food Service, Contract, and GSA.

ERG International is a member of the United States Green Building Council. Since 1994, ERG International has been successful in meeting California's strict Environmental Protection Agency (EPA) standards and utilizes recycling and recycled materials at every opportunity.

#### ERG's LIFETIME PRODUCT WARRANTY

ERG International warrants for life to the original purchaser of new products to be free from defects in material, workmanship and specifications under conditions of normal use and maintenance, exceptions are listed in the price list. If such a defect causes failure of the product or a portion of the product, ERG International at its sole discretion will either repair or replace the defective product at no charge to the original purchaser. This warranty policy includes structural components and table frames.

ERG International's products qualify for LEED credits.
