Abrasion test results exceeding ACT Performance Guidelines are not an indicator of product lifespan.
Multiple factors affect fabric durability and appearance retention.

Cleaning Codes:

S- Only mild pure water-free dry cleaning solvents may be used.
WS- Water based cleaning agents and foam may be used.
BC- May be cleaned with bleach following the proper ratio of water and bleach.
Cleaning by a professional service is always recommended.

This card represents the only the patterns Unika Vaev has graded-in with ERG. For our complete selection of textile patterns and colorways and/or samples, please visit our website at unikavaev.com, or contact Unika Vaev customer service. customerservice@unikavaev.com | 800-237-1625
